📍 JL KEDONDONG RAYA NO. 373 Perumnas Batu VI Siantar, 21151 Kab. Simalungun

## Education

**Senior High School** 2016 – 2019  
SMA RK Budi Mulia, Pematangsiantar

**College** Aug 2020 – Present  
Del Institute of Technology  
I started studying at Del Institute of Technology on 2020 and majored in Informatics. Now I am already in the sixth semester.

## Projects

1. **Software Testing and Quality Assurance Course Project ( Del Workplan and Budget / Rencana Kerja dan Anggaran Institut Teknologi Del)**

This project is a project of a combination of Software Testing and Quality Assurance , Software Design Analysis , and Web - Based Application Development courses which are carried out in the fifth semester for Informatics study program students. I take on the role of Quality Assurance and ensure that software development and development goes well and meets the required standards and specifications . I also test the software to make sure there are no bugs or errors when the software runs.
